

R. Lyle Cooper, PhD, Assistant Professor, Department of Family & Community Medicine at Meharry Medical College

Dr. Cooper has published and worked in the field of substance abuse and/or co-occurring mental health disorders since 1997. Dr. Cooper went on to work as a substance abuse and mental health therapist to persons living with or at risk for HIV/AIDS (PLWHA), and directed programs to treat substance abuse and mental health problems among this population. After receiving his MSSW and subsequent Ph.D. he received Motivational Interviewing Network of Trainers (Training), developed a substance abuse treatment specialization for Spalding University's MSSW program. Dr. Cooper is an active researcher currently serving as PI on numerous grants.
